Uh, I'm in my prime, Optimus?Sagittarius, so you know I'm an optimist

Man, keep it all real, I'm a prophetess (okay)

So at least you took an L off your bucket list (bucket list)

It's time to make hits and it's time to diss?How you still dissin', still can't find some hits? (Okay)

Was it worth it, dummy? I ain't mind a bit?Still on that show gettin' no chips, time to dip

[Pre-Chorus]

I, I, I, I-I, I-I, I (okay)

I'm still fly, just bagged a white guy (okay)

Ritchie like Guy and I still eat Thai

Want the Nicki cheat code? Come on, bitch, nice try[Chorus]

Let's be real, all you bitches wanna look like me

Wanna be in demand, get booked like me

Wanna run up in the lab and cook like me

But ain't nan you hoes pussy good like me

Pussy so good his ex wanna still fight me

Face so pretty bitches wish they could slice me

She just mad 'cause he never bought her ice like me

I cut all my niggas off, but they would still wife me (still wife me)

[Verse 2]

Rap bitches tell they team, "Make 'em like Barbie"

Had to come off IG so they can't stalk me

All they do is copy looks, steal music too

Want to see what bitches do when they lose the blueprint

I mean the pink print, ho, let it sink in

I spoke to Jay the other day, he's still the kingpin

He's still the only nigga that I woulda signed to

If I ain't sign to Wayne's perfectly designed crew

'Cause we the big 3, don't need a big speech

We made the biggest impact, check the spreadsheet

That's Lil Weezy, the Barbie and Drizzy Drake

Niggas gettin' more cheese, kissy face

I'm a bad bitch, fuck the bitch (uh)

Bitch get slick, I'ma cut the bitch

I'm a bad bitch, suck some dick (okay)

If that bitch get slick, I'll cut the bitch

I'll cut up the bitch, I'll gut the bitch (okay)

Had to fuck up the bitch, man, fuck the bitch

Won't shoot her but I will gun-butt the bitch
When we say "Fuck the bitch" dick-up the bitch
She was stuck-up so my niggas stuck up the bitch
Still draggin' her so don't pick up the bitch
Get the combination to the safe, drug the bitch
Know the whole operation been bugged the bitch

[Pre-Chorus]

I, I, I, I-I, I-I, I (okay)

I'm still fly, just bagged a white guy (okay)

Ritchie like Guy and I still eat Thai

Want the Nicki cheat code? Come on, bitch, nice try [Chorus]

Let's be real, all you bitches wanna look like me

Wanna be in demand, get booked like me

Wanna run up in the lab and cook like me

But ain't nan you hoes pussy good like me

Pussy so good his ex wanna still fight me

Face so pretty bitches wish they could slice me

She just mad 'cause he never bought her ice like me

I cut all my niggas off, but they would still wife me (still wife me) [Verse 3]

They would still wife me

They would still wife me

Yup, him too, he would still wife me

Ahh, ha

When it come to stealin' flows, these birds is fluent

But they stutter when get asked 'bout the queen's influence

When it's clear they bite me, I'm flattered they like me

I don't wanna check bitches, tell 'em wear their Nikes

Barbie tings, that's Barbie tings

Big Barbie tings, that's Barbie tings

Big Barbie tings, that's Barbie tings

Uh, Barbie dreamhouse, Barbie rings

That's Barbie beach house, Barbie Benz

Barbie white picket, Barbie fence

All tea, all shade, bitch, all offence

If you ever try to confiscate Barbie's ken

I'ma put you in the box where my dollies been

Chop it up and the next stop garbage bin

'Cause you hoes too old to be gossipin'

I'm just tryna find out when the new Porsche come in
