

# Let Me

ZAYN

Sweet baby, our sex has meaning  
Know this time you'll stay 'til the morning  
Duvet days and vanilla ice cream  
More than just one night together exclusively  
Baby, let me be your man  
So I can love you  
And if you let me be your man  
Then I'll take care of you, you  
For the rest of my life, for the rest of yours  
For the rest of ours  
We're drinking the finest label  
Dirty dancing on top of the table  
Long walks on the beach in April (beach in April)  
Yeah, I promise, darling, that I'll be faithful (be faithful)  
Baby, let me be your man (let me be your man)  
So I can love you (I can love you)  
And if you let me be your man (let me be your man)  
Then I'll take care of you (I can love you)  
For the rest of my life, for the rest of yours  
For the rest of yours  
Give me your body and let me love you like I do  
Come a little closer and let me do those things to you  
This feeling will last forever, baby, that's the truth  
Let me be your man so I can love you  
Baby, let me be your man (let me be your man)  
So I can love you (I can love you)  
And if you let me be your man (let me be your man)  
Then I'll take care of you, you (I can love you)  
For the rest of my life, for the rest of yours  
(For the rest of my life, for the rest of yours)  
For the rest of my life, for the rest of yours  
(For the rest of my life, for the rest of yours)  
For the rest of ours (for the rest of ours)
