Traphouse Mob

Huh, roll another one Said I'm never lackin', always pistol packing

With them automatics, we gon' send him to heaven

Wait, wait, wait, wait, ayy, ayy, woo (Aw, shit), huh

Oh you feelin' sturdy, huh? (You feelin' sturdy, man)

Let me see somethin'

Shake it, shake it, shake it She like the way that I dance

She like the way that I move

She like the way that I rock

She like the way that I woo

And she let it clap for a nigga

(She let it clap for a nigga)

And she throw it back for a nigga

(Yeah, she throw it back for a nigga)

Mike & Mary, Mike & Mary

Billie Jean, Billie Jean (Uh)

Christian Dior, Dior

I'm up in all the stores

When it rains, it pours

She like the way I rrrMike & Mary, Mike & Mary

Billie Jean, Billie Jean (Uh)

Christian Dior, Dior

I'm up in all the stores

When it rains, it pours

She like the way I rrrWhen I walk in the spot, thirty on me

Buy out the club, niggas know that I'm paid

Bitch, I'm a thot, get me lit

I can't fuck with these niggas 'cause niggas is gay

All on my page suckin' dick

All in my comments and screamin' my name

While I'm in the club,

Throwin' them hundreds and fifties and ones and ones Pop Smoke, they know I'm wildin'

If I'm on the island, I'm snatchin' the cell

Brody got locked, denied his bail

Until he free, I'm raisin' hell Tell my shooters call me FaceTime

For all the times we had to face time

Free D-Nice, he doin' state time

If you need the glizzy, you could take mine Please don't come out your mouth, you know I'm

like that

I'll make a movie like TNT

Glock-30 on me, ask who really want it

I bet I air it like BNB Nappy Blue wildin' in my section

And I keep that .38 for the weapon  
Remember when I came home from corrections  
All the bad bitches in my direction  
She like the way that I dance  
She like the way that I move  
She like the way that I rock  
She like the way that I woo  
And she let it clap for a nigga  
(She let it clap for a nigga)  
And she throw it back for a nigga  
(Yeah, she throw it back for a nigga)  
Mike & Mary, Mike & Mary  
Billie Jean, Billie Jean (Uh)  
Christian Dior, Dior  
I'm up in all the stores  
When it rains, it pours  
She like the way I rrr  
Mike & Mary, Mike & Mary  
Billie Jean, Billie Jean (Uh)  
Christian Dior, Dior  
I'm up in all the stores  
When it rains, it pours
