

Gamble Everything for Love

Ben Lee

Gamble everything for love
Gamble everything
Put it in a place you keep what you need
You can gamble everything for love if you're free You gotta gamble everything for love
Baby are you cold? Are you cold?
Baby I can wrap you up, wrap you up in my love
If you wanna you can gamble everything for love If you wanna you can gamble everything for
love
Tell me are you're feeling lost?
Have you crossed into places that you never knew to get through?
Tell me are you gonna cry all night?
Tell me the truth and I'll tell you the truth
If you gamble everything for love you're gonna be alright
Alright
Make a list of the things you need
Leave it empty
Except for number one, write love Gamble everything
Keep it under lock and key
If you wanna you can gamble everything for love
Love me with an open heart Tell me anything
We can find a place to start to gamble everything
We can set this thing apart, Coz we're gonna, gonna gamble everything for love
Tell me do you lose your way each day?
Are there people you don't recognise?
Do they lie?
Tell me do they make you feel too real?
Tell me the truth and I'll tell you the truth
If you gamble everything for love
You're gonna be alright
Alright Ooooh you can go your own way
Ooooh You can go your own way
Ooooh you gotta go your own way
If you gamble everything for love If you gamble everything for love
Gamble everything for love
Gamble everything
Put it in a place you keep what you need
You can gamble everything for love if your free
You gotta gamble everything for love
Tell me are you getting hurt?
Is it worth it?
Tell me are the people strange?
Do they change?

Tell me are you letting go?
Do you know?
I'll tell you the truth if you tell me the truth
If you gamble everything for love
If you gamble everything for love
If you gamble everything for love
You're gonna be alright
Alright
Alright
