

Total Eclipse of the Heart

Straight No Chaser

Every now and then
I get a little bit lonely
And you're never coming round(Turn around)
Every now and then
I get a little bit tired
Of listening to the sound of my tears(Turn around)
Every now and then
I get a little bit nervous
That the best of all the years have gone by(Turn around)
Every now and then I get a little bit terrified
And then I see the look in your eyes
(Turn around, bright eyes)
Every now and then I fall apart
(Turn around, bright eyes)
Every now and then(Turn around)
Every now and then
I get a little bit restless
And I dream of something wild(Turn around)
Every now and then
I get a little bit helpless
And I'm lying like a child in your arms(Turn around)
Every now and then
I get a little bit angry
And I know I've got to get out and cry
(Turn around)
Every now and then
I get a little bit terrified
But then I see the look in your eyes(Turn around, bright eyes)
Every now and then
I fall apart
Turn around, bright eyes
Every now and then
I fall apartTogether we can take it to the end of the line
Your love is like a shadow on me all of the time (all of the time)I don't know what to do and
I'm always in the dark
We're living in a powder keg and giving off sparksI really need you tonight
Forever's gonna start tonight
(Forever's gonna start tonight)Once upon a time I was falling in love
But now I'm only falling apart
There's nothing I can say
A total eclipse of the heartTurn around, bright eyesTurn around, bright eyesTurn around, bright
eyesTurn around, bright eyesTurn around, bright eyesTurn around, bright eyesTurn around,

bright eyes Turn around, bright eyes Turn around, bright eyes Turn around, bright eyes (Turn
around, bright eyes)
Every now and then
I fall apart
Turn around, bright eyes
Every now and then
I fall apart And I need you now tonight
And I need you more than ever
And if you only hold me tight
We'll be holding on forever Once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart A total eclipse of the heart
A total eclipse of the heart Turn around, bright eyes Turn around, bright eyes (End)
