

# Excuse My Rude (feat. Becky G)

Jessie J

Ok

Let's Go Me, me, me, me, me

That's all you ever talk about

Me, me, me, me, me

Sick of when you scream and shout

Me, me, me, me, me

So baby go and run your mouth

Run your mouth, run your mouth I, I, I, I try and show you that I'm there

I, I, I, I end up ripping out my hair

Why I, I, I, I, do I even wanna care

Wanna care, wanna care, care

I can't believe

That this is what it's come to I've held in

But it's time you know the truth

Excuse my rude but I really hate you

I never thought that I'd be the one

To fall for it

And let you in

To mess it up once again

I'm over it so here it is

Excuse my rude, but I really hate you Yeah, yeah, yeah, yeah

This isn't how it was before

Yeah, yeah, yeah, yeah

Now I'm the girl you can't ignore

Now, ow, ow, ow, ow

I'm brave enough to say no more

No more, no more, no more, more

Do woo, woo, woo, woo you even want to understand?

Do woo, woo, woo, woo you think you're still in comand

Do woo, woo, woo, woo you see that I got the upper hand? I can't believe

That this is what it's come to I've held in

But it's time you know the truth

Excuse my rude but I really hate you

I never thought that I'd be the one

To fall for it

And let you in

To mess it up once again

I'm over it so here it is

Excuse my rude but I really hate you They say 'hate' is a strong word

But I got that urge

Treat me like a waiter

So you better get served

With that Becky G Special  
I'm shaking your credentials  
Acting like a Benz  
But to me you just a rental  
Keep it simple, it's not about the cars acting hard  
It's too easy, boy, you gotta please me  
Believe me, so I hit you in the telly  
When I'm your areay next nevuary I can't believe  
That this is what it's come to I've held in  
But it's time you know the truth  
Excuse my rude but I really hate you  
I never thought that I'd be the one  
To fall for it  
And let you in  
To mess it up once again  
I'm over it so here it is  
Excuse my rude but I really hate you
