

Always (feat. Chris Brown & Ty Dolla \$ign)

A1

You're always on my mind
You're always on my mind
So you know now, you're always on my
Oh yeah, yeah I got Wi-Fi, got xans
Got that gas and some green
Girl invite your bitches we gon' party all week
Know you got a man
Girl your secret's safe with me
All my niggas shooters so you know they don't speak
Girl you know I keep it lit
Let me hit you with a hangover
Shake your ass and show your titties
You know why you came over
You can look in my eyes and tell
You're always on my mind (my mind)
Oh yeah, You know
You're always on my mind (my mind)
You know (you know)
You're always on my mind
On my mind
So you know now, you're always on my mind
Baby, you know
Girl, you're always on my mind Always on my mind, yeah, always on my
Say your name with the beat, yeah
I'ma send a flight, yeah
I might do the Gucci
I might do the rap
Yeah, your ex shop at Bloomingdale's
I'ma do the Saks Fifth
You look like a actress, ay
Girl, you remind me of Zoe
I just might drip you in Dolce
And she be shooting in floor seats
I know you used to the nosebleeds
I wanna smash all the time
Girl you're always on my mind
You're always on my mind (my mind)
Oh yeah, You know
You're always on my mind (my mind)
You know (you know)
You're always on my mind
On my mind

So you know now, you're always on my mind
Baby, you know
Girl, you're always on my mind Doin' tricks on the pole
Damn girl you got control
'bout to let it all go
Do-doin' tricks on the pole
Damn girl you got control
'bout to let it all go
I'm fucking with you for a reason
You ain't like these other bitches
I-I'm fucking with you for a reason
You ain't like these other bitches
Oh yeah You're always on my mind (my mind)
Oh yeah, You know
You're always on my mind (my mind)
You know (you know)
You're always on my mind
On my mind
So you know now, you're always on my mind
Baby, you know
Girl, you're always on my mind My mind (my mind)
Oh yeah, You know
You're always on my mind (my mind)
You know (you know)
You're always on my mind
On my mind
So you know now, you're always on my mind
Baby, you know
Girl, you're always on my mind
Slow it all the way down
Yeah, thats right, thats right
Yeah, slow
