

Songs About Me

[Trace Adkins](#)

I met a guy on the red eye
 He spotted my guitar
 and said what do you do?
 I said, I sing for a living,
 Country music mixed with
 a little rock and a little blues
 He said I'm sorry
 but I've never been crazy
 'bout that twang and trains and hillbilly thing
 What ever made you want to sing stuff like that?
 I just looked at him and laughed and said
 cause it's songs about me
 and who I am
 songs about loving and living
 and good hearted women and family and God
 yeah they're all just
 songs about me
 songs about me So I offered him tickets
 I said you'll see what I mean
 if you show up tonight
 he said I doubt you'll change my opinion
 I'll be kind of busy, but hey man, I'll try Then later on when we finished our songs
 about scars and cars and broken hearts
 I saw him, he was standing there
 right next to the stage
 and he shouted
 man you were right
 it was like you sang those
 songs about me
 and who I am
 songs about loving and living
 and good hearted women and family and God
 yeah they're all just
 songs about me
 songs about me So I'll just keep on singing
 'til I hear the whole world singing those songs about me
 and who I am
 songs about loving and living
 and good hearted women and family and God
 yeah they're all just
 songs about me
 songs about me
