

# Erase Me (feat. Kanye West)

## Kid Cudi & Kanye West

She said I don't spend time like I really should  
She said she don't know me (anymore)  
I think she hates me deep down, I know she does  
She wants to erase me hmmmA couple days no talking, I see my baby  
And this what she tells me, she saidI keep on running, keep on running  
And nothing works  
I can't get away from you, noI keep on ducking, keep on ducking you  
Nothing helps  
I can't stop missing you, yeahIt's like I'm her new nightmare, she ain't escaping  
It makes me feel a bit complete, yeah  
Knowing someone you love, don't feel the same way about ya  
Memories they soon delete, hmmm  
A couple weeks no talking, I see my baby  
I've missed you so damn much, hey  
I wish we could start over, I told my baby  
This what this bitch tells me, she saidI keep on running, keep on running  
And nothing works  
I can't get away from you, noI keep on ducking, keep on ducking you  
Nothing helps  
I can't stop missing you, yeahCuz I'm in the magazines  
On the TV  
No matter where you are you might hear me  
I'm in the magazines  
On the TV  
No matter where you go you might see me  
Hello, Uh, I'm Yeezy  
She said, "Hi I'm Aria"  
No, you an angel you wave hi to Aaliyah  
I got a show in Korea, they built a new arena  
Why don't you come and watch a nigga tear the whole scene up  
I know I seen ya before, but don't know where I seen ya  
Oh I remembered now, it's something that I dreamed up  
Don C says she cool, but don't let her fuck your cream up  
Monica Lewinski on the dress she'll take ya to the cleanerSure enough a week later I'm an extra  
love  
And everybody know she mine, so she extra plugged  
Every bouncer, every club show her extra love  
We just praying the new fame don't get the best of usBut all good things gotta come to an end  
She let it go to her head, "No, not my Aria"  
The height of her shopping was writer's blocking me  
I couldn't get me shit out anyway  
I hope you die Aria (diarrhea)I keep on running, keep on running

And nothing works  
I can't get away from you, noI keep on ducking, keep on ducking you  
Nothing helps  
I can't stop missing you, yeah
