

# Anthem for the Year 2000

## Silverchair

We are the youth  
We'll take your fascism away  
We are the youth  
Apologize for another day  
We are the youth  
And politicians are so sure  
We are the youth  
And we are knocking on death's door  
Never knew we were living in a world  
With a mind that could be so sure  
Never knew we were living in a world  
With a mind that could be so small  
Never knew we were living in a world  
And the world is an open court  
Maybe we don't wanna live in a world  
Where our innocence is so short  
We'll make it up to you  
In the year 2000  
Never knew we were living in a world  
With a mind that could be so sure  
Never knew we were living in a world  
With a mind that could be so small  
Never knew we were living in a world  
And the world is an open court  
Maybe we don't wanna live in a world  
Where our innocence is so short  
We'll make it up to you  
In the year 2000  
Build it up for you  
In the year 2000  
Make it up to you  
In the year 2000  
Build it up for you  
In the year 2000 with you  
Never knew we were living in a world  
With a world that could be so sure  
Never knew we were living in a world  
With a mind that could be so small  
Never knew we were living in a world  
And the world is an open court  
Maybe we don't wanna live in a world  
World who cares at all  
We'll make it up to you  
In the year 2000  
Build it up for you  
In the year 2000

Make it hard for you  
In the year 2000Build it up for you  
In the year 2000  
Make it hard for you  
In the year 2000  
Build it up for you  
In the year 2000 with you
