

# Bad Things (feat. Izzy Bizu)

## Milky Chance

Getting through to you  
Is what I'm aiming for  
Won't you hear me now  
Like you've done before  
Are we going round in circles  
Are we running out of time, Are we  
Are we losing something precious  
Are we hanging onto something special  
I think so  
Cause when you're conquering, My day and night  
Easing, The pain inside  
Got me loving, All of the time  
Keep the bad things out of my mind, Out of my mind  
Eyes get resting my skin  
Undressing my every fluid  
Ooh will we sing our swing  
We're blinded on an empty shore  
Are we going round in circles  
Are we running out of time, Are we  
Are we losing something precious  
Are we hanging onto something special  
I think so  
Cause when you're conquering, My day and night  
Easing, The pain inside  
Got me loving, All of the time  
Keep the bad things out of my mind, Out of my mind  
I don't mind wasting time  
Let's stop and smell the road on six  
I don't mind wasting time  
Let's stop and smell the road on six  
Ooh, How i know the eyes is that high  
As ever need to hang me out to dry  
Ooh help me please my hands are tired  
Don't have to courage just to tell you goodbye  
'Cause when you're conquering, My day and night  
Easing, The pain inside  
Got me loving, All of the time  
Keep the bad things out of my mind, Out of my mind  
'Cause when you're conquering, My day  
and night  
Easing, The pain inside  
Got me loving, All of the time  
Keep the bad things out of my mind, Out of my mind  
'Cause when you're conquering, My day and night  
Easing, The pain inside  
Got me loving, All of the time  
Keep the bad things out of my mind, Out of my mind  
I don't mind wasting time  
Let's stop and smell the road on six

I don't mind wasting time  
Let's stop and smell the road on six
