

My Generation

Limp Bizkit

If only we could fly
Limp Bizkit style
John Otto
Take em to the Matthews Bridge Can you feel it?
My g-g-generation My g-g-generation
Are you ready?
Do you know where you are?
Welcome to the jungle punk
Take a look around
It's Limp Bizkit
' up your town
We downloaded the Shockwave
For all the ladies in the cave
To get your groove on
And maybe I'm the one
Who flew over the cuckoo's nest
But guess who's next? (who?)
Generation X
Generation Strange
Sun don't even shine through our window pane
So go ahead and talk
Talk about me Go ahead and talk
About my g-g-generation
Cause we don't, don't give a, and
We won't ever give a
Un-til you You give a about me
And my generation
Hey kid, take my advice
You don't want to step into a big pile of
Captain's drunk
Your world is Titanic
Floating on the funk
So get your groove on
And maybe I am just a little up
Life's just a little up
Generation X
Generation Strange
Sun don't even shine through our window pane
So go ahead and talk
Talk about me Go ahead and talk
About my g-g-generation
Cause we don't, don't give a, and

We won't ever give a
Un-til you You give a about me
And my generation
We don't, don't give a, and
We won't ever give a
Un-til you
You give a about me
And my generation
Who gets the blame?
You get the blame
And I... Get the blame
Who gets the blame?
You get the blame And I... Get the blame But do you think we can fly? (away away)
Do you think we can fly? (away)
Do you... think we can fly?
Well I do (I do)
I do (I do)
Fly!
DJ Lethal... Bring it on!
Come on!
So go ahead and talk
Talk about me
And go ahead and talk
About my g-g-generation
Cause we don't, don't give a, and
We won't ever give a
Un-til you
You give a about me
And my generation
We don't, don't give a, and
We won't ever give a
Un-til you
You give a about me
And my generation
Oh yeah
