

Do Si Do

Diplo & Blanco Brown

Favorite part of a honky tonk
Them Daisy Dukes and badonkadonks
Turn it up 'til the music blows Boom, boom, boom, now strike a pose Let me see ya get tipsy
Get loose, get frisky
Baby, let me see your favorite move
Break it down, let me see what you can do Uh, uh, do si do
Uh, uh, do si do
Uh, uh, do si do
Let me see you throw it down and do si do Uh, uh, uh, do si do
Uh, uh, do si do
Uh, uh, do si do
Let me see you throw it down and do si do
Let me see you throw it down and do si do Let me see you throw it down and do si do Put this
towel in your right hand
Spin it around like a ceiling fan
Clap two times, three times, four times You had too many shots
Baby girl, don't lose ya spot
Slow down, rewind
Some of y'all done lost y'all mind Uh, uh, do si do
Uh, uh, uh, do si do
Uh, uh, do si do
Let me see you throw it down and do si do Uh, uh, uh, do si do
Uh, uh, do si do
Uh, uh, do si do
Let me see you throw it down and do si do
Let me see you throw it down and do si do Let me see you throw it down and do si do Uh, uh, do
si do
Uh, uh, uh, do si do
Uh, uh, do si do
Let me see you throw it down and do si do Uh, uh, uh, do si do
Uh, uh, do si do
Uh, uh, do si do
Freeze and catch the breeze
