

# Ways To Go

## Grouplove

I didn't ask for that  
You give me heart attack  
I didn't want to care  
And then I saw you there  
Been working like a dog  
I turned all my dreams off  
I didn't know my name  
I didn't know my name(I got a little bit longer) I got a ways to go  
(I got a little bit longer) I got a ways to go  
(Oh I got a little bit longer) I got a ways to go-oh-oh  
Whoa oh oh (I got a ways to go)  
Even when I can't see my rear view  
Even if I call just to hear you  
Even when I sleep all day  
Even when I sleep all day  
Even if I wasn't like I'm times two  
Living in the back of a bunk just like we do  
Even when I dream all dayDon't wanna sleep tonight  
You've got me feeling right  
I didn't know my name  
I didn't know my name(I got a little bit longer) I got a ways to go  
(I got a little bit longer) I got a ways to go  
(Oh I got a little bit longer) I got a ways to go-oh-oh  
Whoa oh oh (I got a ways to go)  
Even when I can't see my rear view  
Even if I call just to hear you  
Even when I sleep all day  
Even when I sleep all day  
Even if I wasn't like I'm times two  
Living in the back of a bunk just like we do  
Even when I dream all day  
Even when I dream all day(Oh I got a little bit longer) I got a ways to go-oh-oh  
Whoa oh ohEven if I smoke in the back room  
Even if I go right to meet you  
Even when I sleep all day  
Even when I sleep all day  
Even if I wasn't like I'm times two  
Waiting for the day just to end so I see you  
Even when I dream all day  
Even when I dream all day
