

# Cinnamon Girl

Lana Del Rey

Cinnamon in my teeth  
From your kiss  
You're touching me  
All the pills that you did  
Violet, blue, green, red to keep me  
At arm's length don't work  
You try to push me out  
But I just find my way back in  
Violet, blue, green, red to keep me out  
I win  
There's things I wanna say to you  
But I'll just let you live  
But if you hold me without hurting me  
You'll be the first who ever did  
There's things I wanna talk about  
But better not to keep  
But if you hold me without hurting me  
You'll be the first who ever did  
Ah, ah, ah, ah, ah, ah  
Hold me, love me, touch me, honey  
Be the first who ever did  
Ah, ah, ah, ah, ah, ah  
Hold me, love me, touch me, honey  
Be the first who ever did
