

# I Missed the Bus

Kris Kross

Oh  
Oh I missed the bus. (Oh). I missed the bus.  
I missed the bus. (Oh). I missed the bus. I went to bed late but I didn't think late would AFFECT  
ME  
Early came around then late wouldn't LET ME  
Wake up - WAKE UP - so I can get dressed  
I guess my body was mad 'cause I gave it no rest  
And when I finally did awake it was a quarter to 8: 00  
Jumped in the shower and I know I was late  
Stepped out put on my jeans and my uni'  
And said to myself if I miss school I'm ruined  
But I ran down hill and I RUSHED RUSHED  
I ran down the hill TRYIN TO CATCH THE BUS  
Now I'm hopin to myself everything is cool  
Standin on my block like a fool  
But (1) I'm all alone and (2) the bus is gone  
(3) if I miss school this weekend I'll be at home  
Can somebody come real fast to my rescue  
I'm stuck at the crib and I don't know what to do I missed the bus (ohh)  
I missed the bus  
I missed the bus (ohh)  
And that is somethin I will never ever ever do again  
I was up - HE WAS UP - but I laid back down  
Thinkin I could chill 'til the time came around  
And I did - HE DID - but a little too long  
Cause when I woke up yo the bus was gone  
I almost broke my neck, tryin to get out the door  
And I chased the bus 'til my feet was sore  
On the trail - THE TAIL - but I couldn't catch up  
I guess it must have been my day for me to have bad luck  
Cause I lost my lunch money, book bag busted  
Scuffed up my sneakers and I'm really disgusted  
And when I got to school it was the same old thing  
Stepped in the class and the school bell rang  
It was nothin I could do, I tried to explain  
But the teacher treated me like I was playin a game  
YOU LOSE YOU LOSE - the day was a no win  
I learned to never miss my bus again
