

Not Meant to Be

Theory of a Deadman

It's never enough to say I'm sorry
It's never enough to say I care
But I'm caught between what you wanted from me
And knowing if I give that to ya I might just disappear
Nobody wins when everyone's losing
It's like one step forward and two steps back
No matter what I do you're always mad, and I, I can't change your mind
It's like trying to turn around on a one way street
I can't give you what you want and it's killing me
And I, I'm starting to see
Maybe we're not meant to be
It's never enough to say I love you
No it's never enough to say I try
It's hard to believe that there's no way out for you and me
It seems to be the story of our life
Nobody wins when everyone's losing
It's like one step forward and two steps back
No matter what I do you're always mad, and I, I can't change your mind
It's like trying to turn around on a one way street
I can't give you what you want and it's killing me
And I, I'm starting to see
Maybe we're not meant to be
There's still time to turn this around
Should we be building this up instead of tearing it down
But I keep thinking maybe it's too late
It's like one step forward and two steps back
No matter what I do you're always mad, and I, I can't change your mind
It's like trying to turn around on a one way street
I can't give you what you want and it's killing me
And I, I finally see
Baby we're not meant to be
It's like one step forward and two steps back
No matter what I do you're always mad, and I
Baby I'm sorry to see
Maybe we're not meant to be
