

# To the Guys That Date My Girls

Thomas Rhett

TO THE GUYS THAT DATE MY GIRLS  
To the guys that date my girls, let's get one thing  
straight

When you pick 'em up show up early, when you bring 'em home don't be late  
Mind your manners 'round their momma, boy, sheaf for what it's worth  
If you want to get to their heart, you have to get to her  
And I know they won't be young forever  
But I'm gonna hold on as long as I can

When you take their hand, remember you're holding my whole world  
Just a friendly reminder to the guys that date my girls  
Well you know you can't fool me, I know what's on your mind  
Wasn't long ago I was your age and the same thing was on mine  
Remember when you pull her close to leave some room for Jesus  
Because if you ever cross that line, I swear, boy, you're gonna need him  
And I know that they  
won't be young forever

But I'm gonna hold on as long as I can  
When you take their hand, remember you're holding my whole world  
Just a friendly reminder to the guys that date my girls, yeah  
If they're anything like their momma was, they're gonna break some hearts  
'Cause you might be the lucky one that's written in the stars  
So if she keeps you around, you better make her your whole world  
Just a friendly reminder to the guys that date my girls  
Just a little bit of free pass to the guys that date my girls
