

# Always (2009 Mix)

## Erasure

Open your eyes, I see  
Your eyes are open  
Wear no disguise for me  
Come into the open When it's cold (When it's cold) outside (outside)  
Am I here in vain?  
Hold on to the night  
There will be no shame Always, I wanna be with you  
And make believe with you  
And live in harmony, harmony oh love  
(Always) I wanna be with you  
And make believe with you  
And live in harmony, harmony oh love  
(Always)  
Melting the ice for me  
Jump into the ocean  
Hold back the tide, I see  
Your love in motion When it's cold (When it's cold) outside (outside) Am I here in vain?  
Hold on to the night  
There will be no shame  
Always, I wanna be with you  
And make believe with you (Always)  
And live in harmony, harmony oh love  
(Always) I wanna be with you (Always)  
And make believe with you (Always)  
And live in harmony, harmony oh love  
(Always)  
When it's cold (When it's cold) outside (outside)  
Am I here in vain?  
Hold on to the night (When it's cold in the night)  
(Where the new love grows) There will be no shame (no shame) Always, I wanna be with you  
And make believe with you  
And live in harmony, harmony oh love (the leaves are falling down) (Always) I wanna be with  
you  
And make believe with you  
And live in harmony, harmony oh love  
(Always) I wanna be with you  
And make believe with you  
And live in harmony, harmony oh love (all the leaves are falling down) (Always) I wanna be  
with you  
And make believe with you  
And live in harmony, harmony oh love  
(Always) I wanna be with you

And make believe with you  
And live in harmony, harmony oh love (all the leaves are falling down)(Always) I wanna be  
with you
