

# Marvelous Day (feat. Lil Uzi Vert & Gunna)

## Kap G

[Intro: Gunna & Kap G]

Tell me the way, oh  
Pull out that Wraith  
Niggas gon' hate  
Marvelous day

Gunna with me, aye, aye [Chorus: Lil Uzi Vert & Gunna]

Yeah, young nigga came a long way  
Used to be broke every day  
Watch when I pull out that Wraith  
A lot of these niggas gon' hate  
Best to stay out of the way  
That put you down in the grave  
My water ain't come out a lake  
Young nigga fly as a plane  
I had a marvelous day  
Ain't no baby bottles today  
Took a model out and went on a date  
Put that dick all in her face  
I'ma give me that piece of that cake  
I'ma fly to Dubai on a plane  
I'ma send my lil' bitch out to Spain  
I'ma cover her body with Saint

[Verse 1: Kap G]

You say you a shooter, you ain't  
I ride around wit' that thing  
John Wick with that aim  
I'm drinkin' drank for that pain  
I'm with Gunna and we rollin'  
Uzi got on Rick Owens  
All this gas like I grow this  
She on a poll like we voted

I just see Cannon pull up in that panamera

Got sauce like marinara  
Bitch, I'm Kap G, dinero  
All that Gucci apparel  
All that Louis apparel  
Free J, no free Gerald

Yeah, they ain't never tell, though

[Chorus: Lil Uzi Vert & Gunna]

Young nigga came in that way  
Used to be broke every day  
Watch when I pull out that Wraith

A lot of these niggas gon' hate  
Best to stay out of the way  
That put you down in the grave  
My water ain't come out a lake  
Young nigga fly as a plane  
I had a marvelous day  
Ain't no baby bottles today  
Took a model out and went on a date  
Put that dick all in her face  
I'ma give me that piece of that cake  
I'ma fly to Dubai on a plane  
I'ma send my lil' bitch out to Spain  
I'ma cover her body with Saint[Verse 2: Gunna & Lil Uzi Vert]  
Let her drip in Chanel on my main  
Nike sign, I'm ahead of the game  
My aunty like the smell of cocaine  
I'ma pray, she get better with age  
[?] walk on the stage  
Had to walk out and wait for a chain  
I'ma put some more ice on the ring  
I'ma fuck her and love her with rage  
I'ma love her and fuck her with rage  
Hit it once and pull of in a Range  
Hit me once, so I don't know your name  
Ruby all in my chain like a stain  
Crib got unlimited space  
Backyard, it look like vacay  
150 'round me dying today  
Next she gon' do what I say  
Lil' Uzi gon' make it rain  
Gunna, he gon' make it rain  
Kap, he pull up in a tank  
Move in that bit' like Brinks  
My new lil' bit', yeah, she Cuban  
Give me that neck, we gon' link  
YSL, that be the team  
All the way 'til I'm grey[Chorus: Lil Uzi Vert & Gunna]  
Young nigga came a long way  
Used to be broke every day  
Watch when I pull out that Wraith  
A lot of these niggas gon' hate  
Best to stay out of the way  
That put you down in the grave  
My water ain't come out a lake  
Young nigga fly as a plane  
I had a marvelous day  
Ain't no baby bottles today  
Took a model out and went on a date  
Put that dick all in her face

I'ma give me that piece of that cake  
I'ma fly to Dubai on a plane  
I'ma send my lil' bitch out to Spain  
I'ma cover her body with Saint[Verse 3: Gunna & Kap G]  
Gotta keep me a pint and stay sane  
I'ma drip all the way to the bank  
Thought I told you, that some of them lame  
Yeah, that, Kap G, my nigga, my man  
See, that turned up a whole 'nother lane  
We gon' count us a check, ease the pain  
I said, Kap, we can't play no more games  
Chop down your block with the gang  
I used to have to ride on a train  
Spent twenty on a chain  
Pussy boy, why you hang?  
I ain't never been a lame  
I used to listen to Wayne  
You think I ain't peepin' your game  
I know you peepin' my flav'  
They wanna be in my place[Chorus: Lil Uzi Vert & Gunna]  
Young nigga came a long way  
Used to be broke every day  
Watch when I pull out that Wraith  
A lot of these niggas gon' hate  
Best to stay out of the way  
That put you down in the grave  
My water ain't come out a lake  
Young nigga fly as a plane  
I had a marvelous day  
Ain't no baby bottles today  
Took a model out and went on a date  
Put that dick all in her face  
I'ma give me that piece of that cake  
I'ma fly to Dubai on a plane  
I'ma send my lil' bitch out to Spain  
I'ma cover her body with Saint
