

The World I Know

Collective Soul

Has our conscience shown?
Has the sweet breeze blown?
Has all the kindness gone?
Hope still lingers on
I drink myself of new found pity
Sitting alone in New York City
And I don't know why Are we listening
To hymns of offering.
Have we eyes to see
That love is gathering?
All the words that I've been reading
Have now started the act of bleeding
Into one, into one
So I walk up on high
And I step to the edge
To see my world below
And I laugh at myself
While the tears roll down
'Cause it's the world I know
Oh it's the world I know I drink myself of newfound pity
Sitting alone in New York City
And I don't know why, don't know why So I walk up on high
And I step to the edge
To see my world below
And I laugh at myself
While the tears roll down
'Cause it's the world I know
Oh it's the world I know
Yeah, I walk up on high
And I step to the edge
To see my world below
And I laugh at myself
While the tears roll down
'Cause it's the world I know
Oh it's the world I know
