

No Love Lost

Carcass

Sensual awakening,
Numbing feeling's dead,
Conception's romanticised,
Synthetized broken heart's to bled, Without emotion, your heartstring's played,
Strummed and severed to the tune of a tragic serenade,
(A tragic chorus,)
Without emotion, your hearstrings break,
Snapped and severed to the tune of a tragic, sad-cliche. No love lost,
When all is said and done,
There's no love lost.
The low cost of loving,
Amorous travesty,
Human frailties and weakness are easy prey,
How your poor heart will bleed.
