

# Let It All Go (feat. Álvaro Soler)

## Birdy

I've been sleepless at night  
Cause I don't know how I feel  
I've been waiting on you  
Just to say something real There's a light on the road  
And I think you know  
Morning has come and I have to go I don't know why, I don't know why  
We need to break so hard  
I don't know why we break so hard But if we're strong enough to let it in  
We're strong enough to let it go If I look back to the start Now I know, I see everything  
true There's still a fire in my heart, my darling  
But I'm not burning for you  
We started it wrong and I think you know We waited too long, now I have to go  
I don't know why, I don't know why  
We need to break so hard  
I don't know why we break so hard  
But if we're strong enough to let it in  
We're strong enough to let it go  
Let it all go, let it all go, let it all out now  
Let it all go, let it all go, let it all out now  
Who says, who says  
Who says, who says  
Who says truth is beauty after all  
And who says love should break us when we fall  
But if we're strong enough to let it in  
We're strong enough to let it go  
Let it all go, let it all go, let it all out now  
Let it all go, let it all go, let it all out now
