Dada cover my face, calling me Lagbaja  
Big man wey no dey wear agbada Tell me, tell me My nigga, what's it gon be?  
G Wagon, or the Bentley?  
D gyal dem, riding with me  
I no fit, die for nothing My nigga, what's it gon be?  
G Wagon, or the Bentley?  
D gyal dem, riding with me  
I no fit, die for nothing  
Ehhh  
Make you know say anything wey you do dem must commentate  
(I can't come and kill myself)  
So anything wey I dey do I dey try to dey do am my way  
(I can't come and kill myself)  
Plenty plenty plenty suffer we we face  
Just to make sure money dey  
But my people dem go say  
I no wan pai  
I no wan die  
I no wan peme  
I wan enjoy  
I wan chop life  
I wan buy motor  
I wan build house  
I still wan turn up Tell me tell me My nigga, what's it gon be?  
G Wagon, or the Bentley?  
D gyal dem, riding with me  
I no fit, die for nothing My nigga, what's it gon be?  
G Wagon, or the Bentley?  
D gyal dem, riding with me

I no fit, die for nothing Different things dem happening  
 Schemes and packaging  
 Inna one night four shows I'm juggling  
 Flow like the ocean my boat I'm paddling  
 Shout out Shina Peller that's my bro my family  
 When it comes to money I dey concentrate  
 Make I tell you straight you are not my mate  
 If you be commisioner I be head of state But my people dem go say  
 I no wan pai  
 I no wan die  
 I no wan peme  
 I wan enjoy  
 I wan chop life  
 I wan buy motor  
 I wan build house  
 I still wan turn up Tell me tell me My nigga, what's it gon be?  
 G Wagon, or the Bentley?  
 D gyal dem, riding with me  
 I no fit, die for nothing My nigga, what's it gon be?  
 G Wagon, or the Bentley?  
 D gyal dem, riding with me  
 I no fit, die for nothing Oluwa Burna
