

# Hitch Hike

## Marvin Gaye

I'm goin' to Chicago, that's the last place my baby strayed  
(Hitch hike)  
Yeah, hitch hike  
(Hitch hike, baby)I'm packin' up my bags, gonna leave this old town right away  
(Hitch hike)  
Hitch hike  
(Hitch hike, baby)I've got to find that girl if I have to hitch hike 'round the world  
(Hitch hike)  
Hitch hikeChicago city limits, that's what the sign on the highway read  
(Hitch hike)  
Hitch hike  
(Hitch hike, baby)  
I'm gonna keep movin' till I get to that street corner 6th and 3rd  
(6th and 3rd, hitch hike, baby)  
Hitch hike, yeah  
I've got to find that girl if I have to hitch hike 'round the world  
(Hitch hike)  
Hitch hike, babyHitch hike  
(Hitch hike)  
Now, hitch a hike  
(Hitch hike, baby)It's all right  
(Hitch hike)  
Hitch hike, chillen  
(Hitch hike, chillen)Hitch hike  
(Hitch hike)  
Hitch hike  
(Hitch hike, dance)  
Yeah, hitch hike  
(Hitch hike)  
Hitch hike, chillen(Hitch hike, baby, hitch hike, chillen)  
(Hitch hike, baby, hitch hike, chillen)  
(Hitch hike, baby, hitch hike, baby)I'm goin' to St. Louis, but my next stop just might be L.A.  
(Hitch hike)  
Now what'd I say?  
(L.A.)Got no money in my pocket, so I'm gonna have to hitch hike all the way  
(All the way)  
Yeah  
(Hitch hike, baby)I've got to find that girl if I have to hitch hike 'round the world  
(Hitch hike)  
Now what'd I sayCome on, hitch hike  
(Hitch hike, baby)  
Come hitch hike, chillen

(Hitch hike, chillen)Hitch hike  
(Hitch hike, baby)  
Now, hitch hike, baby  
(Hitch hike, chillen)Hitch hike  
(Hitch hike, baby)  
Hitch hike, baby  
(Hitch hike, baby)Now, hitch hike  
(Hitch hike)  
Chillen, hitch hikeCome on, hitch hike  
(Hitch hike, baby)  
Now, hitch hike, chillen  
(Hitch hike, chillen)Hitch hike  
(Hitch hike, baby)  
Hitch hike  
(Hitch hike, chillen)Hitch hike  
(Hitch hike, baby)  
Hitch hike  
(Hitch hike, baby)Hitch hike, chillen  
(Hitch hike)
