

# If I Was Your Man

Joe

Mmmm yea yea yea yea ohh ohh  
Nanananana nanananananana ohh Nananananananana If I was your man, girl  
Girl I'm so tired of games I just wanna settle down  
I swear to you I've changed  
Baby why you buggin now  
I know that I put you through hell  
You deserve to be with someone else  
But I gotta be straight up (straight up)  
Girl I just wanna kiss and make up (make up)  
Oo we've been through a lot of things  
How do you throw that away  
You were the heart of me  
Can't believe you let it break  
Tell me why you wont let him go  
You can say what you want but I know  
Baby no more lies I'ma keep it real this time  
Help me understand what I'm saying  
Ain't gettin' through Why I can't be your man when I'd give up the world for you  
Girl I'll do the best I can Love you forever that's what I'll do If I was your man If  
I was your man If I was your man  
Got rid of everything That I knew was hurting you  
My hustle in the streets  
Gave that up for you too  
Don't want nothing else in the way I just wanna make sure that you'll stay  
Baby no more lies I'ma do it right this time  
Help me understand what I'm saying  
Ain't gettin' through  
Why I cant be your man when I'd give up the world for you  
Girl I'll do the best I can  
Love you forever that's what I'll do If I was your man If I was your man  
Can't live without you anymore  
Baby I know that you're worth fighting for  
They say that your'e still in love with me In my arms is where you need to be  
Can't live without you anymore  
Baby I know that you're worth fighting for  
They say that you're still in love with me In my arms is where you need to be  
Nanananana nanananananana ohh yea  
nanananana If I was your man if I was your man  
Help me understand what im saying  
Ain't gettin' through  
Why I cant be your man when i'd give up the world for you  
Girl I'll do the best I can

Love you forever that's what I'll do If I was your man If I was your man  
Help me understand what I'm saying  
Ain't gettin' through Why I can't be your man when I'd give up the world for you  
Girl I'll do the best I can  
Love you forever that's what I'll do If I was your man If I was your man
