

# Stereo (feat. Fitts of the Kickdrums)

## Machine Gun Kelly

So turn me on  
You set me free  
Just look inside your speakers  
And there you'll see me Uh, there I go  
Two clicks north of the Bronx  
Whoever thought she would of found love in a stereo  
2 headphones and a box  
She picks me up, every morning on the walk to school  
She ain't worried bout these other little kids  
Cause she told me everyday you sayin' something new  
And you always got the illest kicks  
Boom Boom tat  
And she takes me out, just so the block can see  
Told me she wanted the world to know  
So she makes me loud now the whole block wants me  
But I'm all hers and she's all mine  
And even though her parents don't like me inside  
Whenever her daddy comes around, we just hide  
Cause she doesn't wanna sleep without me that's why  
I said So turn me on  
You set me free  
Just look inside your speakers  
And there you'll see me  
So turn me on  
You set me free  
Just look inside your speakers  
And there you'll see me Yeah, and she loves my sound, It's why I'm always around  
Voted the most popular girl in the class  
Cause whenever were together we attract the crowd  
Yeah and she got me down  
Touches the right place when I'm fizzling out  
And all of her friends love me  
Cause at all of the parties, I make em bounce b-bounce  
Uh, if I play the right song, she might take it off  
Meaning her clothes  
You know I love it when she keeps the lights on, play the music soft  
Yeah, so that's what I do, anything for my boo  
But when I hear the knock on the door  
I Shhh-shut up, cause I know my cue  
But when they gone, I'm back at it  
She loves this song, so I blast it  
Dad gets home, I hide in the cabinet

Flip my switch like gymnastics  
Uh and I'm always be there for you, you just gotta find my plug  
I'll be right here waiting for you in the middle of these speakers  
If you ever wanna find my love  
So  
So turn me on  
You set me free  
Just look inside your speakers  
And there you'll see me So turn me on  
You set me free  
Just look inside your speakers  
And there you'll see me Uh, and she gets older but I stay the same  
And as she grows up, her opinions change  
Now shes off at college  
Where there's other ones like me  
I just hope that one day she'll come back  
To hear another song from me  
But till then, I just sit in her room and collect dust  
Thinkin' about us  
Waitin' for the day she'll push my buttons  
And I feel her touch and get that rush  
But I'm not what she needs, so I power down  
Then right at that moment where I was found  
Hello, her little sister walked in  
Knew it was love at first sight  
Caught a little twinkle in her eye when I made a sound  
She snuck back in the same night  
And even though she knows that she wasn't allowed  
I know all she wanna do is be near me  
One thing is that I felt the same  
Wanna tell her but she can't hear me  
So so I said So turn me on  
You set me free  
Just look inside your speakers  
And there you'll see me
