

# You Look So Fine

## Garbage

You look so fine  
I want to break your heart  
And give you mine  
You're taking me over  
It's so insane  
You've got me tethered and chained  
I hear your name  
And I'm falling over I'm not like all of the other girls  
I can't take it like the other girls  
I won't share it like the other girls  
That you used to know You look so fine  
Knocked down  
Cried out  
Been down just to find out  
I'm through  
Bleeding for you I'm open wide  
I want to take you home  
We'll waste some time  
You're the only one for me  
You look so fine  
I'm like the desert tonight  
Leave her behind  
If you want to show me I'm not like all the other girls  
I won't take it like the other girls  
I won't fake it like the other girls  
That you used to know  
You're taking me over  
Over and over  
I'm falling over  
Over and over  
You're taking me over  
(Melt in me one more time)  
Over and over  
(Hide inside me tonight)  
I'm falling over  
(Do what you want to do)  
Over and over  
(Let's pretend, happy end)  
You're taking me over  
(Let me know, let it show)  
Over and over  
(Ending with letting go)

I'm falling over  
Ending with letting go  
Ending with letting go  
Let's pretend, happy end  
Let's pretend, happy end  
Let's pretend, happy end  
Let's pretend, happy end
