

# Sun Goes Down (feat. MAGIC! & Sonny Wilson)

David Guetta & Showtek

Oh wooh  
Oh gonna break it, break it, break it, break it down for you, oh  
Once more, oh When the sun goes down  
And your eyes cannot see  
When the sun goes down  
And your hands cannot reach  
When your bones feel like breaking  
And your heart cannot take another run  
I'll be there when the sun goes down All that I want  
Is just to be crazy when the sun goes down  
And all that I need  
Is for you to be my baby when the sun goes down  
When the sun goes down Baby get down Baby get down  
Oh  
Oh (Yeah eh eh eh) When the sun goes down  
We'll be dancing in the dark  
When the sun goes down  
To the beating of your heart  
As the Earth moves in orbit  
I will always be the one  
Who stands my ground  
I'll be there when the sun goes down (Everybody now come and sing along with that track  
now) All that I want  
Is just to go crazy when the sun goes down  
And all that I need  
Is for you to be my baby when the sun goes down  
All that I want  
Is just to go crazy when the sun goes down  
And all that I need  
Is for you to be my baby when the sun goes down When the sun goes down (When the sun goes  
down)  
When the sun goes down (When the sun goes down)  
When the sun goes down  
I see you around
