

# Is It My Body

## Sonic Youth

[Sugar Cane CD5][Kim]  
what have I got  
that makes you want to love me  
is it my body  
or someone I might be  
or something aside me  
tell me  
tell me  
it's really up to you  
have you got the time to find out who I really am  
oh - awwhat does it take  
to get inside your mind  
give me your brain  
and take a change with my first time  
tell me  
tell me  
it's really up to you  
have you got the time to find out who I really am  
oooooooooooohaaa  
what have I got  
that makes you want to love me  
is it my body  
or someone I might be  
or something aside me  
tell me  
tell me

have you got the time to find out who I really am
