

# Deus In Absentia

## Ghost

Ain't this your time of need?  
You're turning to the light  
You had just begun to explore the dark  
In the urban nightThe world is on fire  
And you are here to stay and burn with me  
A funeral pyre  
And we are here to revel forever moreYou're so godamn frail  
Failing for a change  
You just had to know all about the world  
But you will never know  
'Cause no one ever told you how  
The world is on fire  
And you are here to stay and burn with me  
A funeral pyre  
And we are here to revel foreverThe world is on fire  
And we are tied as one eternally  
A funeral pyre  
And we are here to revel forever moreAll of your imaginations  
Are now running down your face  
All of your imaginations  
Are now running down your faceOh you are looking good  
Payback in disgrace  
And you are doing fine worshipping your lord  
Standing in his grave  
'Cause no one ever told you how  
The world is on fire  
And you are here to stay and burn with me  
A funeral pyre  
And we are here to revel foreverThe world is on fire  
And we are tied as one eternally  
A funeral pyre  
And we are here to revel forever moreDeus Deus  
Deus Deus  
Deus Deus  
Deus Deus  
Deus Deus  
Deus Deus  
Deus In Absentia  
In Absentia  
Deus In Absentia
