

Mad Dog

Anvil

Well I don't care if I lose my hair
I don't care if you strip me bare
I don't care if you think I'm sick
I'm just a mad dog doin' my trick

Chorus:
'Cause I'm a mad dog

A mad bad dog

I'm just a mad dog Chasing cars or burying my bone

I'm a stray looking for a home

On the corner just hanging around

I'm a depraved, deranged flea-bitten hound

-Chorus 2X- Ain't hydrophobic

No need to run

I'm just a mad dog

Having fun- Chorus- Looking for a bitch in heat

Begging for a doggy treat

You know my bark is worse than my bite

You'll hear me howling in the heat of the night

-Chorus-2X

Feel my bite

Oww!

-Chorus-

Oww!
