

# Hello

## Adele

Hello, it's me  
I was wondering if after all these years you'd like to meet  
To go over everything  
They say that time's supposed to heal ya  
But I ain't done much healing Hello, can you hear me?  
I'm in California dreaming about who we used to be  
When we were younger and free  
I've forgotten how it felt before the world fell at our feet There's such a difference between us  
And a million miles Hello from the other side  
I must've called a thousand times  
To tell you I'm sorry for everything that I've done  
But when I call, you never seem to be home  
Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry for breaking your heart  
But it don't matter, it clearly doesn't tear you apart anymore Hello, how are you?  
It's so typical of me to talk about myself, I'm sorry  
I hope that you're well  
Did you ever make it out of that town where nothing ever happened? It's no secret that the both  
of us are running out of time So hello from the other side  
I must've called a thousand times  
To tell you I'm sorry for everything that I've done  
But when I call, you never seem to be home Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry for breaking your heart  
But it don't matter, it clearly doesn't tear you apart anymore  
Ooooooh, anymore  
Ooooooh, anymore  
Ooooooh, anymore  
Anymore Hello from the other side  
I must've called a thousand times  
To tell you I'm sorry for everything that I've done  
But when I call, you never seem to be home Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry for breaking your heart  
But it don't matter, it clearly doesn't tear you apart anymore
