## blackbear

Tell me pretty lies  
Look me in the face  
Tell me that you love me, even if it's fake  
'Cause I don't fucking care  
At all  
You been out all night, I don't know where you been  
You're slurring all your words  
Not making any sense  
But I don't fucking care  
At all  
Cause I have hella feelings for you  
I act like I don't fucking care  
Like they ain't even there  
Cause I have hella feelings for you  
I act like I don't fucking care  
Cause I'm so fucking scared  
I'm only a fool for you  
And maybe you're too good for me  
I'm only a fool for you  
But I don't fucking care  
At all  
Oh, oh, oh  
Tell me pretty lies  
Look me in the face  
Tell me that you love me, even if it's fake  
Cause I don't fucking care  
You been out all night  
I don't know where you been  
You're slurring all your words  
Not making any sense  
Cause I don't fuckin care, at all  
Cause I have hella feelings for you  
I act like I don't fucking care  
Like they ain't even there  
Cause I have hella feelings for you  
I act like I don't fucking care  
Cause I'm so fucking scared  
I'm only a fool for you  
And maybe you're too good for me  
I'm only a fool for you  
But I don't fucking care  
At all

Oh, oh, oh
