

Your Love Is a Song

Switchfoot

Yeah.

I hear you breathing in
Another day begins The stars are falling out
My dreams are fading now, fading out I've been keeping my eyes wide open
I've been keeping my eyes wide open Yeah. Ooh, your love is a symphony
All around me
Running through me
Ooh, your love is a melody
Underneath me
Running to me Ooh, your love is a song The dawn is fire bright
Against the city lights
The clouds are glowing now
The moon is blacking out, its blacking out I've been keeping my mind wide open
I've been keeping my mind wide open Ooh, your love is a symphony
All around me
Running through me Ooh, your love is a melody
Underneath me
Running to me Ooh, your love is a song
Your love is a song
Oh, your love is a song
Your love is a song With my eyes wide open
I've got my eyes wide open
I've been keeping my hopes unbroken
Yeah, yeah
Ooh, your love is a symphony
All around me
Running through me Ooh, your love is my melody
Underneath me
Running to me Ooh, your love is a song, yeah, yeah
Your love is my remedy
Oh, your love is a song
