

Fake Chanel (feat. A\$AP Ferg & Creek Boyz)

Yellow Claw

[Intro: A\$AP Ferg]

That's right

Wooh

Wooh wooh wooh [Verse 1: A\$AP Ferg]

I came through in a Benz Wagon, I'm on y'all neck
Get deep-throat while I'm on a boat, eatin' salmon croquettes
I'm in a big coat, I'm in a mink coat, my chain forgets
I'm sippin' clean coke with a mean hoe, that gimme more sex
And my teeth glow, worth a kilo, but I need more cheques
And get the beat low, like a deep boat, and you know I'm cray
And getta' see notes, I'mma pop doors, in a four door Lex
You a weak hoe, need to take off, that fake Folex

[Chorus: A\$AP Ferg]

Fake hoe, all these fake hoes

Fake hoes, all these fake hoes

See you on Canal Street with the fake flows

Fake hoes, all these fake hoes

Fake hoes, fake hoes, fake hoes, fake hoes

Fake hoes, fake hoes, fake hoes, fake

Yeh I know, all fake hoes [Verse 2: Creek Boyz]

I just mixed the xan with the molly

She a freak hoe I'm tryna feel her body

So I'mma work her out somethin' like pilates

And I ain't saver her to bitch for everybody

We gon' hit the party with them freak hoes

We gon' knock em' down like some free throws

Police tryna find me like I'm Nemo

Drugs and the smoke we don't reload

[Chorus: A\$AP Ferg]

Fake hoe, all these fake hoes

Fake hoes, all these fake hoes

See you on Canal Street with the fake flows

Fake hoes, all these fake hoes

Fake hoes, fake hoes, fake hoes, fake hoes

Fake hoes, fake hoes, fake hoes, fake

Yeh I know, all fake hoes
