

Ugly Boy

Die Antwoord

Ooh I love my ugly boy
So rough and tough - Don't care about anything but me
Yes I just love him cause he's so crazy - Just crazy about me

Ooh I love my ugly boy
So rough and tough - Don't care about anything but me Yes I just love him cause he's so crazy -
Just crazy about me
Ugly on the skin
But you're lovely from within
An angel kiss from me to you
Always there for me when I'm feelin' blue You say you'll stick with me and I know you well
I just get so emotional
When I'm down and feeling weak
With tears streaming down my cheeks You say the sweetest things Like material stuff don't
mean a thing
But you take care of me to keep you safe
You so freaky babe
Yo
Anything you want (You got it) Anything you need (You got it)
Anything at all (You got it)
Just keep it real with me (You got it)
Ooh I love my ugly boy
So rough and tough - Don't care about anything but me
Yes I just love him cause he's so crazy - Just crazy about me
Yes I love my ugly boy
So rough and tough - Don't care about anything but me
And I just love him cause he's so crazy - Just crazy about me
Ooh I love my ugly boy
Me love you long time
Yes I just love him cause he's so crazy
You're one crazy motherfucker (Why?)
Yes I love my ugly boy
So rough and tough - He fuck you up, boy
Yes I just love him cause he's so crazy - Just crazy about me
(laughing) I love him
