

Back It Up

Alison Wonderland & AWE

Look right here and give me a smile
'Cause I can't be bothered when you're taking a while
Sitting and waiting's not my style
When a guy like you gets on my file
Back it up, back-back it up x4
I don't care if it's right or
wrong
If I walk away when you take too long
All I want from you is just one thing
I don't need no fucking ring
Back it up, Back-back it up (sampled throughout)
