

# Fly Away

## 5 Seconds of Summer

(Na, Na, Na) (Go!)  
Counting down the seconds  
Jumping off these fences  
Finding another place to start againCracks in the sidewalk  
I'm over all the small talk  
Taking off like fire in the windI won't waste another day  
Wishing this would fade away  
Running and we're not looking backI want a little bit of California  
With a little bit of London sky  
I wanna take my heart to the end of the world  
Fly away tonight  
I want a little bit of open ocean  
With a New York state of mind  
I wanna take my heart to the end of the world  
Fly away, fly away tonightFly away tonight  
Fly away tonightA never ending replay  
Memories I can't erase  
I see the best of times in front of meNow I'm off to paradise  
Swore I'll never fight  
Say goodbye to pain and misery  
(Na, Na, Na)I won't waste another day  
Wishing this would fade away  
Running and we're not looking back  
I want a little bit of California  
With a little bit of London sky  
I wanna take my heart to the end of the world  
Fly away tonightI want a little bit of open ocean  
With a New York state of mind  
I wanna take my heart to the end of the world  
Fly away, fly away tonightI won't waste another day  
Wishing this would fade awayI won't waste another day  
Wishing this would fade awayCounting down the seconds  
Only second guessing  
Dreaming of a place to start again...I want a little bit of California  
With a little bit of London sky  
I wanna take my heart to the end of the world  
Fly away tonightI want a little bit of open ocean  
With a New York state of mind  
I wanna take my heart to the end of the world  
Fly away, fly away tonightFly away tonight  
Fly away tonight  
Na, Na, Na, Na
