

# Say Yes

## B5

If i was in love

would you love me back girl (ooh)  
and just because you got a light  
that brightens my night  
would you saw you were "that girl" (ooh)no i don't wanna be a one time thriller  
writing up the stars ima make you feel it  
and who said forever's just a word

and i wanna give you that girl  
And I want you to say yea  
And I'm gonna say yea  
And I want you to say yea  
And I'm gonna say yea  
And I want you to say yea-yea

And i want you to say yea  
I'm gonna (BOTH) say YeaaaaIma lay it on the line  
if you say yea, yes
