

Teenage Dream

5 Seconds of Summer

I think you're pretty without any make up on
I think you're funny when you tell the punch line wrong
I know you get me so I let my walls come down, down
Before you met me I was alright but
Things were kinda heavy, you brought me to life
Now every february you'll be my valentine, valentine
Let's go all the way tonight
No regrets, just love
We can dance until we die
You and I, we'll be young forever
You make me feel like I'm living a teenage dream
The way you turn me on
I can't sleep let's run away and
Don't ever look back, don't ever, look back
My heart stops when you look at me
Just one touch now, baby, I believe
This is real so take a chance and
Don't ever look back, don't ever look back
We drove to cali, and got drunk on the beach
Got a motel and built a fort out of sheets
I finally got you my missing puzzle piece
I'm complete
Let's go all the way tonight
No regrets, just love
We can dance until we die
You and I, we'll be young forever
You make me feel like I'm living a teenage dream
The way you turn me on
I can't sleep let's run away and
Don't ever look back, don't ever, look back
My heart stops when you look at me
Just one touch now, baby, I believe
This is real so take a chance and
Don't ever look back, don't ever look back
I'ma get your heart racing in my skin tight jeans
Be your teenage dream tonight
Let you put your hands on me in my skin tight jeans
Be your teenage dream tonight
You make me feel like I'm living a teenage dream
The way you turn me on
I can't sleep let's run away and
Don't ever look back, don't ever, look back
My heart stops when you look at me
Just one touch now, baby, I believe
This is real so take a chance and
Don't ever look back, don't ever look back
