

# Ring

## Selena Gomez

You're all in your feelings baby  
All into me  
I'm one in a billion baby  
Don't you agree?  
Obviously, you know I'm aware of that  
I'm breaking hearts like a heart attack  
Got him right where the karats at  
Wrapped 'round my finger like a ring, ring, ring  
They just like puppets on a string, string, string  
I put it down, they call me up  
They doing way too much  
So I just let it ring, ring, ring (Ooh ooh)  
Yeah, I received your message, all twenty-three (Twenty-three)  
You know I'm Jordan with it, G-O-A-T (G-O-A-T)  
Obviously, you know I'm aware of that  
I'm breaking hearts like a heart attack  
I got him right where the karats at  
Wrapped 'round my finger like a ring, ring, ring  
They just like puppets on a string, string, string  
I put it down, they call me up  
They doing way too much  
So I just let it ring, ring, ring  
Wrapped 'round my finger like a ring, ring, ring  
They want to give me everything, thing, thing  
I put it down, they call me up  
(Oh, no-no-no-no-no)  
So I just let it ring, ring, ring  
Circling me they just like satellites  
(Ooh-ooh-ooh)  
Circling me, all day and every night  
(Ooh-ooh-ooh)  
Circling me, I'm sure you sympathize  
(Ooh-ooh-ooh)  
Oh-la-la-la-la-la-la-la  
Oh-na-na  
Wrapped 'round my finger like a ring, ring, ring  
They just like puppets on a string, string, string  
I put it down, they call me up  
They doing way too much  
So I just let it ring, ring, ring  
Wrapped 'round my finger like a ring, ring, ring  
They want to give me everything, thing, thing  
I put it down, they call me up  
(Oh, no-no-no-no-no)  
So I just let it ring, ring, ring
