

Someone Loves You Honey

Charley Pride

I wanna share your life every minute every day and night
And I just want you to know that whatever you do and wherever you go
Remember someone loves you honey no matter what just be my girl
Someone loves you honey more than anything in the world

[strings]

I'm so glad that I'm the one that you come to when you need someone
That's what my love is for that's a shoulder to lean on a port in the storm
Remember someone loves you...
