

# I Won't

H.E.R.

If I don't say nothing  
What would make you think something  
I just wanna chill  
I don't wanna feel  
But I could see this coming and  
I shoulda' known better  
I shoulda' known better  
Trust me I'm not frontin' if I'm not feelin' ya  
Don't give me your feelings yeah You can't make me love you If I don't  
You can't make me love you if I won't  
You can't change my heart, you're tryin' too hard  
You can't make me love you no I won't, I won't  
If I'm not into you  
Don't hit me with the interview  
Askin' all the questions  
You don't have to call  
I don't wanna talk  
What gave you the impression that I would be down?  
Really got you down  
Shoulda' known better  
Cause I'm not feelin' ya  
Don't get in your feelings yeah You can't make me love you If I don't  
You can't make me love you if I won't  
You can't change my heart, you're tryin' too hard  
You can't make me love you no I won't, I won't  
I won't, no I, no I won't  
I won't  
Baby I don't beat around the bush  
Makin' this more than what it should be  
Actin' like you misunderstood me  
I don't understand it, I don't understand it  
Why you gotta push me to the edge for?  
Makin' this more than what it is, oh  
You ain't just tryna be friends  
Tryna give me the world when I'm on another planet  
I don't understand it, I don't understand it  
Ask me for the feedback, I give it like Janet Yeah you can't make me love you  
Love you, love you  
You can't make me love you If I don't  
You can't make me love you if I won't  
Yeah, you can't change my heart, you're tryin' too hard  
You can't make me love you no I won't, I won't
