

Baby I Won't (Cean Remix)

Danny Ocean

Papapapi loong girl
papapapi long girlPapapapi loong girl
papapapi long girlUuh OohFrom my room to the world yeah!Every moment that we've lived
Every tiny little thing
How am I gonna explain to myself
that you won't be there
Cause all of my craziness is because of you... or not
Tell me what should I do? What should I do?Baby i'm so sorry I let you own
it wasn't my intention
But when love is tobe and it's real
Cause all of my craziness is because of you... or not
Tell me what should I do? What should I do?Baby no, I promise it won't be the last kiss
so hold it on
Keepit thick to, forget about it
cause baby I won't
Haciéndotelo así así así
the way how you like it babyBecause she's everything I walk in the moonlight
baby I love your way
And I just don't wanna be with other lady
cause you are the breath I take
And I just wanna be with you baby
nena por favor entiéndelo
Just give me your hand and trust in me
if you get lost just follow my voice
So give me some time, baby some time
Cause you and I
are ment to be close for the rest of our lives
Give me some time, baby some time
Cause you and I you and I
are ment to be close for the rest of our lives babyBaby no, I promise it won't be the last kiss
so hold it on
Keepit thick to, forget about it
cause baby I won't
Haciéndotelo así así así
the way how you like it babyCause baby no, I promise it won't be the last kiss
so hold it on
Keepit thick to, forget about it
cause baby I won't
Haciéndotelo así así así
the way how you like it babyCause all of my craziness is because of youTell me what should do
what should I what should I
what should I do

Just baby tell me, noBaby no, I promise it won't be the last kiss
so hold it on
Keepit thick to, forget about it
cause baby I won't
Haciéndotelo así así así
the way how you like it babyJust baby no, I promise it won't be the last kiss
so hold it on
Keepit thick to, forget about it
cause baby I won't Ooh
Haciéndotelo así así así
así como te gusta baby
