

Tears Always Win

Alicia Keys

Check it out
It feels kinda crazy These covers may keep me warm at night
But they can't take your place, cause they never gonna hold me tight
And these pillows, may let me rest my head
But they can't say good night and tuck me in before I go to bed
Say, "Naw baby girl, you're better off," that's what I'm telling myself
But I'm lying to myself cause I know I don't want nobody else These lips are missing you
Cause these lips ain't kissing you
These eyes put up a fight
But once again these tears always win
These arms are wanting you
Cause these arms ain't holding you
These eyes put up a fight
But once again these tears always win
These candles light up my room at night
But they can't light the room the way you did when you walked inside, oh baby
If these walls could sing about everything they've witnessed
Oh it'd be a sad, sad song, and it'll probably sound something like this
Say, "Naw baby girl, you're better off," that's what I'm telling myself
But I'm lying to myself cause I know I don't want nobody else Cause these lips are missing you
Cause these lips ain't kissing you
These eyes put up a fight
But once again these tears always win
These arms are wanting you
Cause these arms ain't holding you
These eyes put up a fight
But once again these tears always win Tell me when the hell this loneliness is gonna be over
When everything in this room reminds me of you
Everytime I think I'm getting closer
These tears drown me out, once again I lose
Cause these lips are missing you
Cause these lips ain't kissing you
I put up a fight
But once again these tears always win
These arms are wanting you
Cause these arms ain't holding you
These eyes put up a fight
But once again these tears always win Crying like oh oh oh oh, oh oh oh
These eyes put up a fight
But once again these tears always win
Crying like oh oh oh oh, oh oh oh
These eyes put up a fight

But once again these tears always win
These eyes put up a fight
But once again these tears always win
