Flex habit, I'm a sex addict

I don't text her back, she said I'm movin' backwards

Bitch I'm next, who has it? bitch I'm next, who has it?

Bitch I'm next, who has it? bitch I'm next, who has it?

[Verse 1: Nessly]

He said he moonwalkin', he just movin' backwards

I'm really Michael Jordan, I dance like Michael Jackson

I'ma snatch a Grammy, I'ma snatch a Lambo

I hit her with no condoms, she look like Naomi Campbell

I love her mind, she give me brain though

I take off my chain before bed, I feel like Django

I don't work in restaurants, come through with a bread basket

Yeah, aye, bitch I'm next, who has it?[Chorus: Nessly]

I got a flex habit, I'm a sex addict

I don't text her back, she said I'm movin' backwards

Bitch I'm next, who has it? bitch I'm next, who has it?

Bitch I'm next, who has it? yeah, bitch I'm next, who has it?

[Verse 2: Ski Mask The Slump God]

Think a nigga got a flex habit, and I'm a sex addict

Is that a bird? is that a plane? no bitch I'm fly like Aladdin (like what?)

If a nigga run up then a nigga done up, gotta hit him with the Megaman cannon (duh-duh-duh-duh-duh-duh)

Until the sun up, until the sun out, runnin' to the carats like a rabbit (money, money)

Mayonnaise whippin', I'm in it (mayonnaise whip)

My hip to my pistol, make 'letic (my hip to my hip)

I fuck on your aunt until she get a headache, then after while she got that neck

Got her head on lock like dreads (what?)

Purchase suit, I gotta neck it (what?)

The rattlesnake inside that bitch is shakin'

I wonder how long she can take it

Yuh yuh yuh yuh yuh (ayy), A-1 Patek on my coat

Yuh yuh yuh yuh yuh (water), it look like Ski Mask sell more dope (bitch)

Yuh yuh yuh yuh yuh, I just spilled lean on your ho

Yuh yuh yuh yuh yuh, cheetah printed Louboutin toes (look at it, look at it)

Yuh yuh

Chain on my neck look like water, no bath, umm (no bath)

They hate me but keep to themselves (themselves)
You gon' live today just like calf (like calf)
My bitch bad, just look at her nails (the nail)
Your money so short just like elf (the elf)
You can't put a nigga on shelf (no shelf)
My diamonds so heavy, need help
Yuh yuh yuh yuh[Chorus: Nessly]
I got a flex habit, I'm a sex addict
I don't text her back, she said I'm movin' backwards
Bitch I'm next, who has it? bitch I'm next, who has it?
Bitch I'm next, who has it? yeah, bitch I'm next, who has it?
I got a flex habit, I'm a sex addict
I don't text her back, she said I'm movin' backwards
Bitch I'm next, who has it? bitch I'm next, who has it?
Bitch I'm next, who has it? bitch I'm next, who has it?[Verse 3: Nessly]
I copped a house in the hills, I gotta watch out for deer
I got the '17 Tesla, I don't even gotta steer
All the diamonds VVS but my schedule never clear
I busted a nut on her chest, and I bet he cleaned her verneers
Ayy, I pour a four in the magic, I'm at Magic on a Monday
Whippin' that Huracán just like a Hyundai
Yeah, I fuck her face and she make you replace her front legs
Gave her a facial like facial recognition at the front gate[Chorus: Nessly]
I got a flex habit, I'm a sex addict
I don't text her back, she said I'm movin' backwards
Bitch I'm next, who has it? bitch I'm next, who has it?
Bitch I'm next, who has it? yeah, bitch I'm next, who has it?
I got a flex habit, I'm a sex addict
I don't text her back, she said I'm movin' backwards
Bitch I'm next, who has it? bitch I'm next, who has it?
Bitch I'm next, who has it? bitch I'm next, who has it?
