Moments

Tove Lo

I grew up with a lot of green Nice things 'round me, I was safe, I was fine Grew up with a lot of dreams Plans who to be None of them, none were mine I love freaks, I don't care if you're a wild one I love freaks, I don't care if you're a wild one And meI, I'm not the prettiest you've ever seen But I have my moments, I have my moments Not the flawless one I've never been But I have my moments, I have my moments I can get a little drunk, I get into all the dont's But on good days I am charming as fuck I can get a little drunk, I get into all the dont's But on good days I am charming as fuck I can be the perfect one, but I'll make you cum And I'm locked in your mind You can say I don't belong That I'm so wrong I love freaks, I don't care if you're a wild one

I can tell, tell you lieI love freaks, I don't care if you're a wild one
I love freaks, I don't care if you're a wild one
AndI, I'm not the prettiest you've ever seen
But I have my moments, I have my moments
Not the flawless one I've never been
But I have my moments, I have my moments
I can get a little drunk, I get into all the dont's
But on good days I am charming as fuck
I can get a little drunk, I get into all the dont's
But on good days I am charming as fuck
Rough around the edges, memories and baggage
You know me

Never play a safe card, when I go, I go hard
And now you knowI, I'm not the prettiest you've ever seen
But I have my moments, I have my moments
Not the flawless one I've never been
But I have my moments, I have my moments
I can get a little drunk, I get into all the dont's
But on good days I am charming as fuck
I can get a little drunk, I get into all the dont's
But on good days I am charming as fuck
