

Whine Up

Kat Deluna

It's summertime
Ladies looking hot
Shaking up what they've got
Elephant Man and Kat, c'mon
Sense is telling me you're looking
I can feel it on my skin
Boy I wonder what would happen
If I trip and let you in
Don't get sby my aggression
I just might be the one
Let's skip this conversation,
Just whine your body up (Ha ha ha)
Don't wanna wait no more
(Ha ha ha)
You got what I'm searching for
I'm feeling your vibing
I'm riding high is exotic
And I want you,
I want you here
Pull me closer and closer
And hold me tight to your body
I wanna feel you,
I wanna feel you near
Whine up, whine up, whine up, oye!
Whine up, whine up, whine up, oye!
Whine up, whine up, whine up, oye!
Whine up, whine up, whine up, oye!
A ese nene lo tengo trikiao
Cuando lo bailo lo bailo de lao
Y lo empujo lo tengo tumbao
Con mis caderas lo tengo amansao wind!
Boy keep doing
What you're doing get me hot
Winding up your body
You don't have to stop
My temperature is rising
Want you more than before
It's an animal attraction,
Whine your body up (Ha ha ha)
It's the magic on the floor
(Ha ha ha)
I don't wanna wait no more
'Cause I'm feeling your vibing
I'm riding high is exotic
And I want you
I want you here
Pull me closer and closer
And hold me tight to your body
I wanna feel you,
I wanna feel you near
Whine up, whine up, whine up, oye!

Whine up, whine up, whine up, oye!
Whine up, whine up, whine up, oye!
Whine up, whine up, whine up, oye! My dear,
Whine up your body
Bring it to me right here
She got the fines' body I swear Shake up your booty,
