

# Close Your Eyes

Meghan Trainor

Everybody is on the same page  
No new chapters  
We'll never change  
Everybody wants to be cool  
Yes they do  
I'm just like them  
But I won't be no fool  
I guess I could waste all my time and my money  
Just trying to look right  
But it doesn't change who I am in my heart if I look like them  
So I want you to close your eyes  
Sing to the world tonight  
And show them what's beautiful  
I don't care what they think  
No I'm not listening  
Cause I know I'm beautiful  
So close your eyes  
Show them what's beautiful  
Gonna' show them...  
Show them what's beautiful  
Show them what's beautiful  
Everybody is born to be different  
That's the one thing that makes us the same  
So don't let you them hurt try to change you  
make you into something you ain't  
No  
So I want you to close your eyes  
Sing to the world tonight  
And show them what's beautiful  
I don't care what they think  
No I'm not listening  
Cause I know I'm beautiful  
So close your eyes  
Show them what's beautiful  
Show the world the you inside  
Raise your voice and close your eyes  
Cause you're beautiful  
Come on and show the world the you inside  
Raise your voice and close your eyes  
Cause you're beautiful  
So I want you to close your eyes  
Sing to the world tonight

And show them what's beautiful  
I don't care what they think  
No I'm not listening  
Cause I know I'm beautiful  
So close your eyes
